Patent Assignments

(Transfer Statement under Uniform Commercial Code Section 9-619)

WHEREAS, ORAXION, INC. is the owner of certain patents registered and patents applications pending in the United States Patent and Trademark Office, (hereinafter collectively, together with any foreign patents or patent applications, referred to as the "Patents" and "Applications"), all of which U.S. Patents and Applications are set forth on the Schedule attached hereto;

WHEREAS, ORAXION, INC. previously granted to VENTURE LENDING & LEASING IV, INC. (the "Collateral Agent"), in its capacity as collateral agent for the Lenders (as defined therein) under the Loan and Security Agreement dated February 22, 2005 (as amended and supplemented from time to time to the date hereof, and together with all documents related thereto or incorporated therein, the "Loan Documents"), liens and security interests in all of ORAXION, INC.'s right, title and interest in and to all general intangibles and other personal property owned by ORAXION, INC., including the Patents and Applications, as security for certain Obligations (as defined in the Loan Documents);

WHEREAS, ORAXION, INC. has been and continues to be in default under the Loan Documents and the Obligations thereunder, and Collateral Agent has foreclosed on the Collateral;

WHEREAS, the Collateral Agent has exercised and continues to exercise its post-default and post-foreclosure remedies under the Loan Documents and applicable law, including the Uniform Commercial Code (the "UCC"); and

WHEREAS, pursuant to that certain Asset Purchase Agreement dated as of the date hereof by and between Collateral Agent and ULTRATECH, INC. ("Transferee"), and in accordance with, and under the protections afforded by, the Loan Documents and applicable law, including Section 9610 of California Commercial Code (the "UCC"), Collateral Agent has sold, assigned, transferred and conveyed to Transferee all right, title and interest in and to all of the Patents and Applications.

NOW, THEREFORE, in accordance with Section 9619 of the UCC; Transferee is entitled to a transfer of record of all rights of ORAXION, INC. in the Patents and Applications, and request is hereby made that the Commissioner of Patents and Trademarks and the United States Patent and Trademark Office accept the foregoing transfer statement and promptly amend its records to reflect the aforesaid transfer to Transferee.
